## NewsBlaster and HSCBA – February, 2022

---

I sure hope this month's article finds everyone doing well and surviving winter! With January past us and February to go, one can only hope for an early spring come March!

As a reminder to our citizens, your Sheriff's Office has many statutory obligations outside the normal scope of "patrol" and "investigations." These obligations include; but are not limited to: the process of the Court (also known as "paper service"), registering (and verifying) the location of registered sex offenders throughout the county (including within the municipalities), carry concealed weapon permit issuance/renewals, and the entry/auditing of all criminal warrants from the state Court system (13<sup>th</sup> Circuit Court of Callaway County).

In example, just this last year, 2021, while conducting process of the Court, our deputies served 2,391 Court documents all across our vast 842 square mile county. These documents covered an array of civil/criminal Court matters; ranging from Court ordered evictions to family protection orders and included everything in-between that is being handled by our civil and criminal Court divisions! In addition to these 2,391 documents that were successfully served, our deputies attempted the service of an additional 641 Court issued documents, however were unable to locate the respondents/defendants due to old addresses or other factors.

Serving the Court, a huge responsibility of the Sheriff, is an honor and keeps the "wheels of the Court system" turning! What many do not realize is; these obligations, such as process of the Court, are not just "out in the county" but inside the municipalities as well. Hence why sometimes citizens ask why they see deputies "in town" so much --- it's due to our statutory obligations we are most proud to have all across the county and even "in-town!"

Respectfully, your Sheriff,

Clay Chism

# CHARITY

By Gary L Arnold

These are clearly very trying times for all of us. We are faced with a world-wide pandemic, political turmoil and strife all around us. The loss of life, loss of jobs, disruption in schools and confusion over vaccinations and mask mandates leaves many in our society stressed out at a minimum and many more are at their wits' end about what to do and what to expect next.

Despite the above-mentioned causes of anxiety, many Christian organizations respond with acts of mercy and have been doing so for years. The response to increased need is typically increased giving. This is indeed a source of hope and strengthens the conviction that humanity, with God's help and inspiration, will reach out to our brothers in a time of need. The Webster's New World Dictionary definition for the word charity is based on The Latin word *caritas*, meaning dearness, affection or high regard. Definitions include 1) The love of God for man or of man for his fellow men 2) the act of good will or affection 3) a giving of money or other help to those in need. Mercy is a synonym.

Biblical advice on charity and charitable giving is plentiful. Matthew 6: 1-2 warns, "Beware of practicing your piety before men in order to be seen by them; for then you will have no reward from your Father who is in heaven. Thus, when you give alms, sound no trumpet before you, as the hypocrites do in the synagogues and in the streets, that they may be praised by men. Truly I say to you, they have their reward. But when you give alms, do not let your left hand know what your right hand is doing, so that your alms may be in secret; and your father who sees you in secret will reward you." Likewise in Matthew 23, Jesus denounces the hypocrisy of the Scribes and Pharisees. He proclaims "The Scribes and Pharisees sit on Moses' seat; so, practice and observe whatever they tell you, but not what they do; for they preach but do not practice."

So, with all humility, I encourage all readers to exercise your acts of charity to the full extent of your means. Gifts of cash, food and your time to charitable non-profit organizations will help show your love and kindness for your fellow man. Opportunities for charitable giving abound in our communities. Please consider Food Banks, Soup Kitchens, and other volunteer organizations. The local Holts Summit Soup Kitchen is in need of volunteers. Please call 573-301-8181 or 573- 619-2939 for more information. You may find that giving of your time helping others will result in receiving more than you give. If you have a problem finding a match for your talents, please contact the pastor of your church for suggestions. If you are not a member of a local church, there is no better time than now to become involved. I'm sure we can make our world a better one through cooperative efforts and acts of sincere charity. PEACE!
